PROFILE

I'm an aspiring Front-End Web Developer with a solid foundation in HTML, CSS, and JavaScript. I'm passionate about learning and building responsive, user-friendly websites. I'm excited to keep growing my skills and contribute creativity and problem-solving to meaningful projects as I work towards becoming a skilled developer.

EDUCATION

BSc in Information Technology

Present

School of Science | North West University

Tswelelopele High school

2016 - 2020

Bachelor's Pass

AVG: 64%

PROJECTS

Quiz App

An interactive quiz with multiple-choice questions and instant feedback. Implemented score tracking and dynamic UI updates using vanilla JavaScript. Provided a smooth user experience through efficient event handling.

Technologies Used: HTML5, CSS3, JavaScript

Expense Tracker

A personal finance app to add and manage income and expenses. Calculated and displayed the real-time balance with persistent local storage. Designed a responsive interface for easy entry and deletion of records.

Technologies Used: HTML5, CSS3, JavaScript

ACHIEVEMENTS

Organized and won the school chess tournament, demonstrating strong strategic thinking and leadership skills

Ranked among the top 10 performing students in my high school for academic excellence
